FOCUS: We are to take up our cross each day and follow Jesus. The Messiah was expected to free the Jewish people from oppression, and restore the freedom and holiness of their nation. Jesus instead reveals that the Messiah will suffer, die and be raised from the dead, and that true discipleship requires self-denial and sacrifice. Understanding this, let us take up our cross each day and follow Jesus.

Ministry to Life

Love Can Make The "Unwanted Child" Wanted! "One hundred fifty years ago, President Abraham Lincoln issued the Emancipation Proclamation declaring that slaves held in Confederate territory were free men and women. One hundred fifty years later, children in every part of the country still face the degradation and hopelessness of the practice President Lincoln sought to end.....For the last 40 years and even earlier in some states, many of our judges and lawmakers have treated people like property.

They've held babies in the womb to be like chattel, possessions to be discarded or destroyed, with their mothers cast as owners.

These officials, along with the abortion industry itself, feign ignorance of the unborn child's humanity....We can't stop all evil in this fallen world, but we can fight it in our own neck of the woods with love. Love never ends. Love can save lives.

Love declares that there is no such thing as an unwanted child....With love, children are adopted, not aborted. With love, children are cherished, not abused. With love, there is less

room for the oppressor because his hunting grounds are smaller....We simply need to see no child as unwanted.... And it can start with just one. One life loved can make all the difference. After all, one life changed the entire world."

*Alveda King, niece of Dr. Martin Luther King, Jr. King.
Alveda King is a leading pro-life voice who formerly had two abortions before having a faith conversion.*

Prayer vigils for abortion victims, their parents and doctors are held every Wednesday at Planned Parenthood, 196 Speedwell Ave., Morristown, from 1:00 p.m. to 2:00 p.m. Also on Fridays, from 1:00 p.m. to 2:00 p.m. at Garden State Gynecology, 25 Lyndsey Drive in Morris Township (behind the Westin/Governor Morris hotel) with ample parking. For more information, please call Colleen Dolan at 973-543-7037.

The Sacrament of Anointing of the Sick

Not a Sacrament for the dying only! Please call the Parish House to inform one of our priests that a family member needs the Sacrament of Anointing of the Sick before the person becomes gravely ill. This sacrament may be repeated. It is also appropriate to receive this sacrament prior to surgery. "If circumstances suggest it, the celebration of the Sacrament of Anointing of the Sick can be preceded by the Sacrament of Penance." (1140, *The Catechism of the Catholic Church*)

VOLUNTEERS NEEDED ~ Please prayerfully consider volunteering for the 2016 ~ 2017 school year as a Catechist. You must be a practicing Confirmed Catholic who attends Mass regularly with a desire to pass on the faith to the children of the parish. The root meaning of catechist is "one who echoes." The Catechist's role is to echo and re-echo the story of Jesus Christ.

Here are some testimonials from our past Catechists:

"Consider helping our youth to know and understand what it means to be a Catholic Christian by becoming a Catechist. Let the Holy Spirit provide guidance, advocacy and inspiration for you."

"Teaching this age group really makes you stop and think.... "these young adults are our future- they will guide how the next generation is raised, in faith, in family, in the community at large."

"I am proud to be a part of this important step in their faith and their lives."

"I was initially very concerned about being a Catechist as I felt somewhat unprepared to teach. You provided excellent detailed lesson plans on what and how to teach each class....that immediately put my mind at ease. It was a great experience and deepened me spiritually ...also built on the prior knowledge I had... we all had a great time."

"Teens are under so much pressure today, and they will increasingly need to rely on their faith. This is why I continue to teach Confirmation classes. Witnessing the contemplative looks on the faces of my students and hearing their thought provoking questions during class, as well as comments from parents when they tell me that something I said had an impact on their child make it all worth it."

"I was reluctant due to my family responsibilities. But, I took a leap of faith and I am so happy that I did. I had a class of the most wonderful young people you could ever meet. I would encourage anyone to consider being a catechist. I am certain that they will receive at least as much as they give - if not a lot more. I feel blessed for having had the opportunity to work with these young people. "
