**FOCUS: Rejoice in the love and compassion of the Lord.** In the reading from Isaiah, we hear that as a mother comforts her child so, too, does the Lord reach out to comfort us. Understanding this, it is important that we open ourselves to the Lord. If we are open to feeling the Lord's care and compassion, it will bring us strength and peace of mind as we walk our daily journey of faith.

### Readings for Next Weekend

First Reading:

Deuteronomy 30:10-14

Second Reading:

Colossians 1:15-20

Third Reading:

Luke 10:25-37

### During the months of July and August:

**Adoration will not take place during the summer.** Adoration will resume on Friday, September 16, after the 9:00 a.m. Mass.

Every Monday following 9:00 a.m. Mass, the **Divine Mercy Chaplet and Novena** is prayed for all those who are suffering from cancer and other serious illnesses. Please join us in the chapel. For information, call Father David at the Parish House.

## Ministry to Life

**The "Differences" Between the Baby in the Womb and the Newborn Baby** ~ There are four "differences" between the baby in the mother's womb (or so-called fetus) who has no protection under the law from a newborn baby, who is protected:

1. Size. The baby in the womb is usually smaller than newborns. The question, then, is what does size have to do with rights of personhood? The answer: nothing.

2. Level of development Babies in the womb are less developed than a newborn (unless the newborn is born prematurely). Again this has no moral significance. Children are generally less developed than adults and all human beings continue to develop and change throughout our

entire lives. It is humanity, not brain capacity or strength that determines personhood.

3. Location. The baby in the womb has a different place of residence. Again this is irrelevant because personhood stems from being a human being, not from your location.

4. Dependency. Abortion protagonists love to argue that, "since a fetus cannot survive on its own, it has no inherent right to life". The problem with this argument is that to varying degrees, we are all dependent on others. Moreover, newborn babies and small children are absolutely dependent upon their parents for survival. What is absurd about this line of thinking is the fact that dependency should merit more protection under the law, not less! We are all far more outraged, for example, at violence towards children than at violence towards other adults. The reason is obvious. Children are more helpless and innocent and less capable of defending themselves than adults. The child in the mother's womb is the most helpless and innocent and the least capable of defending themselves.

That is precisely why we must fight to protect them! Every person is part of God's plan.

**Prayer vigils** for abortion victims, their parents and doctors are held every Wednesday at Planned Parenthood, 196 Speedwell Ave., Morristown, from 1:00 p.m. to 2:00 p.m. Also on Fridays, from 1:00 p.m. to 2:00 p.m. at Garden State Gynecology, 25 Lyndsley Drive in Morris Township (behind the Westin/Governor Morris hotel) with ample parking. For more information, please call Colleen Dolan at 973-543-7037.

## The Sacrament of Anointing of the Sick

**Not a Sacrament for the dying only!** Please call the Parish House to inform one of our priests that a family member needs the Sacrament of Anointing of the Sick before the person becomes gravely ill. This sacrament may be repeated. It is also appropriate to receive this sacrament prior to surgery. "If circumstances suggest it, the celebration of the Sacrament of Anointing of the Sick can be preceded by the Sacrament of Penance." (1140, *The Catechism of the Catholic Church*)

## Human Concerns

**Family Promise of Morris County, Inc.** is a non-sectarian, not-for-profit organization dedicated to ending the crisis of homelessness faced by Morris County families by partnering with other public and private agencies, religious congregations and community volunteers to

provide shelter, case management and mentoring services leading to self-sufficiency. Family Promise currently partners with more than 75 congregations of different faiths and 1,600 of their congregants to provide shelter, overnight staffing, dinner and breakfast to our families. Family Promise of Morris County maintains a Day Center and Office in Parsippany. The dedication and commitment of all these partners makes Family Promise the most cost-effective local shelter program in the community. Volunteers and their families open their congregations, schedules, wallets, and their hearts to them. In addition, they allow the families to stay for as long as needed to get back on their feet. For some families, it may be a couple of weeks; for others, it may be a year. Many traditional shelters have a time limit which means families often have to find other temporary shelter before they have accumulated enough resources or completed necessary schooling to enable them to successfully move on to independent housing.

**How we can help:** We are collecting items from the Family Promise's **WISH LIST** which is enclosed in the bulletin. Please take a copy of the **WISH LIST** so hopefully you can purchase some of the items on the list and then return them the weekend of July 16 & 17. There will be baskets in the Narthex to collect the items. Thank you for your help!!
