**FOCUS: Jesus' last thoughts and prayers are focused on his disciples as he prepares to face the cross.** In preparing his disciples for when he will no longer be with them, Jesus encourages them by prayer. This is his hour of glorification, but it is equally their hour too. While Jesus is ready to embrace the work of redemption, he knows his disciples will have their faith shaken. So his prayer reassures them that they will share his glory because they already belong to him by faith.
